The umpire-in-chief will inform the pitcher's manager that the pitcher must be removed in accordance with Regulation VI (c). However, the failure by the pitch count recorder to notify the umpire-in-chief, and/or the failure of the umpire-in-chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.
14. A player who has attained the league age of twelve (12) is not eligible to pitch. See Little League Regulation V – Selection of Players)
15. A player may not pitch in more than one game in a day.

17. Pitches delivered in games declared "Regulation Tie Games" or "Suspended Games" shall be charged against pitcher's eligibility. In suspended games resumed on another day, the pitchers of record at the time the game was halted may continue to pitch to the extent of their eligibility for that day, provided said pitcher has observed the required days of rest.
 - a. Example: if the pitcher of record pitches over 20 pitches and the suspended game takes place the next day, that pitcher may not pitch as they have not fulfilled their required rest.
 - b. Example: if pitcher of record has fulfilled their rest requirements prior to resuming a suspended game, their pitch count re-starts at zero. In this case, a pitcher may pitch beyond their limit within the GAME (which occurred over 2 separate days), but they are still limited to the daily limit for each of the DAYS the game is played.
18. **During Fall season only: pitchers are limited to two innings. Pitchers may appear in more than two innings but must be removed after recording six outs.**

21. Only positive cheers directed at members of their own team by players or fans will be allowed. No organized cheers will be allowed while the pitcher is delivering a pitch. The umpire has authority to request that the manager, coaches, players, or fans cease any cheers that in the umpire's judgment are inappropriate or disruptive to the game. The opposing manager may also request the umpire to control organized cheers that he believes are inappropriate.
22. A coach (adult or player) making a "safe" or "out" call in an attempt to influence the outcome of a play is considered by Little League Rules to be in violation of the Unsportsmanlike Conduct rule and therefore is subject to ejection. It is the objective of this local rule modification to create awareness among the coaches, so that this behavior is eliminated. An umpire witnessing this act will provide one warning to a base or bench coach. On the second offense during that game, the umpire will require that a base coach be replaced. The offending base coach must perform their coaching responsibilities from the bench for the remainder of that game. All 2nd and 3rd offenses will be reported to the commissioner for review. (See Rule 4.06)

24. With 2 outs and the offensive team's catcher on base, a courtesy runner shall be inserted for that player. This runner shall be the player who made the last out. Courtesy runners are also allowed in the case of injury.
25. Should a baserunner advance to any base illegally, he/she shall be returned to his/her original base, unless they were called out during the play. Stealing of home is allowed in all other situations, including all throws from the catcher to the pitcher or any other fielder including the throw subsequent to a passed ball or wild pitch.
